All Japan kendo Federation

The concept of Kendo is to discipline the human character through the application of the principles of the Katana.

The purpose of practising Kendo is:

- To mold the mind and body,
- To cultivate a vigorous spirit,
- And through correct and rigid training,
- To strive for improvement in the art of Kendo;
- To hold in esteem human courtesy and honor,
- To associate with others with sincerity,
- And to forever pursue the cultivation of oneself.

Thus will one be able

- To love his country and society,
 - To contribute to the development of culture,
 - And to promote peace and prosperity
- among all peoples.
