

Warsaw, 18 Oct. 1979

Dear Sir,

Last year we have organised the 1st International
Tournament of Cities in Gdynia.

We are planning the next one for March 1980.
It will take place in Warsaw.

We invite you to participate in it and we will
appreciate your attendance.

If you are interested, please send us a competitors
list:

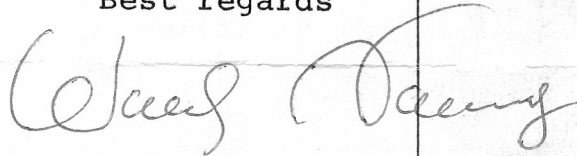

One team shall consist of 5 competitors.

We expect no more than two teams and one leader from
each city (same as in the previous year).

We await your reply till December 30, 1979.

Looking forward to see you next year.

Best regards
