Dear Sir,

Kendokas here in Stockholm would very much like to put up a team for the upcoming competitions in Warsaw.

But because it will be expensive travel by air, due to the fact that most of us can only stay for the weekend, it is very hard for any of us to afford the trip without financial support.

I have put the question of money in the hands of Stockholms Budofederation. They will decide the financial matters and reply back to you about our eventual participation.

In the meantime I would like you to send all following correspondence to this address:

Stockholms Budoförbund

Please send also all available information about the tournaments as soon as possible.

SINCERELY YOURS
