Dear Mr HIRAKAWA

I have been notified by Mr KJELL LINDBERG that you are presently in FRANCE. I hope you are having a good time practicing there.

I write to you because we now have confirmation that you will be visiting SWEDEN. In planning your stay in SWEDEN we need to know when and where we can expect your arrival, well in advance. On your arrival we will of course meet you and introduce you to our kendokas. I therefore look forward to your reply on this subject before the end of JUNE.

If you are delayed in anyway from arriving on schedule, please telephone us on any of these numbers:

08-715 85 56 HANS LUNDBERG (Stockholm)
040-21 98 80 KJELL LINDBERG (Malmö)

We all lookforward to meet you and practice kendo, also we would like to show you our country and traditions.

SINCERELY YOURS

Hans Lundberg
