Own Headquarters

We take the pleasure of informing you that our Federation has officially included in its structure the sector Kendo - Iaido.

Presently, the sector includes 107 Clubs and more than 3500 athletes.

We sent a delegation to Japan to request for the official recognition to the Kendo International Federation.

We would be grateful if you could get in touch with us in order to establish possible technical meetings, stages and agonistic competitions.

We thank you and send you our best regards.

Aldo Stefanini
General Secretary of the F.I.S.
