Dear sir,

It is our regret to inform you that THE 4TH INTERNATIONAL BOY'S KENDO GOODWILL MATCH '83 will be put off due to compilation of the budget in spite of a host of our federation.

However, we would like to hold it in 1984 or 85, if possible, from a point of international goodwill of the youth. We would be very happy if you could participate in this tournament at that time.

Would you kindly be requested to reply to an enclosed enquete in order to result THE 4TH INTERNATIONAL BOY'S KENDO GOODWILL MATCH in success.

Sincerely yours,

Takashi Ozawa
