Dec 1982

Dear Kjell,

It being in the best interests of all members that a decision be made on the venue for the 1983 EKF championships, I have accepted on your behalf the kind offer of the Comité National du Kendo of France to be the host. This was in response to my request.

Will you please signify your approval or otherwise comment?

With my felicitations

Victor Harris

President EKF

c.c. Count Robert von Sandor
Toshiaki Kasahara Esq.
