Mr. Victor Harris,

Dear Mr. President,

I herewith inform you of the following:

1. I have received contributions for the EKF from the following nations:

France	\$	100,-	
Germany	\$	50,-	
Portugal	\$	150,-	
Sweden	\$	100,-	
Netherlands	Dfl	290,-	(countervalue \$ 110.--)

NB I hope, that there is no objection against the fact, that I keep the contribution of the Netherlands in guilders in cash for postage etc.

NB I have not yet received the contribution of

Belgium	\$	50,--	for 1983
Great Britain	\$	150,--	for 1981, 1982, 1983.

2. I have received the conto of the EKF from Mr. Detwiler on the EKF account nr 50.34.91.713 Algemene Bank Nederland, Rotterdam.

3. I have received letters from Wolfgang Demski, Fritz Detwiler and Mr. Bottoni regarding the situation in Italy.
I agree that the EKF should help to solve the problems and assist the AIK in this matter. I am not sure, whether a meeting of EKF representatives will be able to be of assistance or not.
I support the proposal of Wolfgang Demski to organise a meeting apart from the EKF championships.
I am sorry to say, that I was rather shocked at the rather discourteous letter of Mr. Bottoni, dated June 10th 1983.

4. On July 17th next I go to Japan for 5 weeks. I shall meet Mr. Kasahara there.

With my best wishes,

Yours Sincerely,
