Concerns : VIth European Kendō Championships  
Brussels 1984

Dear Sir,

We would like to inform you officially that the next European Kendō Championships will be held in Brussels on 19 and 20 May, 1984.

The presence of many Japanese Sensei at this event allows us to organize subsequently a four days Kendō Seminar at a place in Belgium not yet established.

The organisation of this Seminar is obviously dependent upon the number of participants. May we therefore ask you urgently to send us back the enclosed individual registration forms. Answers sent after 1 March 1984 will not be taken into consideration. Further details about Championships and Seminar are also enclosed in this letter. We will allow only 12 participants per country to the Seminar and the individual Championship. As usual each national team shall consist of 5 contenders plus 2 reserves and a coach. By mid of March we will inform you about your admittance and provide you with the final information.

Hoping to see you in Belgium then,

Sincerely yours,

  
Raf Bernaers
