Dear Sir,

I hope you will excuse us for being late with our application to the 6 th European Kendo Championships. We had assumed that the championships would take place during easter. There could be some more applicants for dan examination, especially iaido, from Sweden. That is because that was not quite clear in your first letter. I will return to this question in a second

letter no later than the 15 th of April.

Concerning the address for writing to the Swedish Kendo Association please note that the address below is the only one valid:

The SWEDISH BUDDOFEDERATION
Section KENDO
IDROTTENS HUS

SWEDEN

However in the case of questions or information about our participation it would speed up matters if you used my address below.

Our travel arrangements has not been definitely decided yet but as soon as we have done that I will communicate them to you.

It is possible that one or two of our members can take part in the seminar. At least one as I suppose that Kumanda-sensei is meant to take part in the seminar.

Sincerely Yours
