Re: IKF meeting in Paris, May 1984

Dear Sir,

I hope we will get to meet under more pleasant circumstances than this Italian question implies and that we will find much more constructive, positive things to devote our energies to. Kendo is in need of quite different things from organizational disputes.

Anyway, it struck me that I am not quite certain as to how justified my presence at the IKF Paris meeting is. Could you please inform me about this, am I or am I not expected to be present in Paris?

My friend, I look forward to our meeting in Bruxelles and hopefully many more opportunities for mutual benefits in our work for European Kendo.

Sincerely yours,

Stefan Stenudd
SBF Kendo, chairman
