

Dear friend in kendo, this is my invitation
for swedish kendopersons to take part in my
kan-geiko. Always we had international partici-
pants (Poland, Yugoslavij, Great Britain, Suisse, Belgium and
more). It is a good chance to meet many european
kendonmembers and to play together ten times.

We have the possibility to sleep in a dojo with
sleeping bag and without money.

Teacher comes from Zen Nippon Ken-do Renmei, Mr. Kono is
who works in Kokuslika-university.

If you want, please inform your members. They
must not applicate before.

Many greetings and good wishes to you
and swedish Kendo
