CITY LINK INTERNATIONAL OPEN 1984

Dear Kendo Friend,

If you or your Club entered last year's City Link Open, please accept our thanks for helping to make it such an exciting and successful occasion, with Kendoka from Holland, West Germany, Switzerland, Scotland and England competing in events for teams, ladies and juniors. Many old and new friends took part and joined us at the championships dinner in the evening.

As this is the 11th year of the championships, we anticipate an even greater participation than before and so we are again holding this year's City Link Open at the South Ruislip Leisure Centre, Victoria Road, Ruislip, Middlesex (which has proved to be an excellent venue), on Saturday 24th November 1984.

This year's championships dinner will be a three course meal at £8.00 menu and details to follow.

The Master Brewer Motel are again offering preferential room rates for the Friday and Saturday nights of £14.75 each per night sharing a twin, or £12.50 sharing a triple, which include full English breakfast, service and VAT.

So that we can make provisional arrangements, we would ask for your assistance in completing the pre-entry form and return to the above address at your earliest convenience.

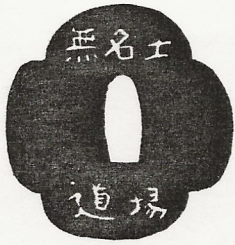

Closing date for entries will be 1st November 1984 and entry forms will be despatched to you in August. At that time we will ask for your precise requirements for accomodation and dinner, and for competition entry and fees.

We look forward to seeing you and your friends at Ruislip, West London, in November, and wish you every success.

Yours faithfully,

P.A. Budden
