Re: ENTRY FOR THE 6TH KENDO CHAMPIONSHIPS

Dear Sir,

I expect you are very busy now, preparing your delegation for the 6th World Kendo Championships in April 1985. The Comite National du Kendo/F.F.J.D.A. and the I.K.F. are also doing their best to ensure the success of this big event. Your full co-operation will be greatly appreciated.

Please find enclosed herewith the following documents:

- Form A : Delegation name list
- Form B : Entry form for the Championships
- Form C : Entry form for the Goodwill Matches

The above documents must be completed and reach Tokyo (together with the black & white photographs of each member of your delegation) no later than the 30 Jan. 1985.

- Remarks :
- 1) The competitors for the Championships and the Goodwill Matches may only be replaced after the change is duly notified I.K.F. Headquarters of no later than the 20th February 1985.
 - 2) The participants are requested to take out accident insurance in their respective home countries.

The keys to success of the 6WKC are, first, that as many Kendoists as possible from all of the affiliated organizations participate, and, second, that all of the events are carried out smoothly and efficiently.

With these points in mind, please send back the completed above-mentioned documents, before the designated deadline--30 January 1985.

Sincerely yours,
