Dear Friends,

Hereby the long expected agenda regarding the next General Assembly of the E.K.F. in Paris on the 11th of April in the afternoon, at least if I'm well informed.

I hope everybody likes the new E.K.F. letter heads and its envelopes. If not, sorry, but you'll have to stand it for some years ...

Meanwhile there's nothing much to report:

- a letter has been sent to the Italian Federations telling that the FIS-AIK-Union will be on the agenda in Paris next month.
- Together with the present letter, a demand has been sent to Poland asking them for an official application for the E.K.F., if possible together with the Polish' Kendō Committee's statutes.

Two new addresses: Stefan STENUDD

AGENDA OF THE E.K.F. GENERAL ASSEMBLY AS DRAWN
UP DURING AN OFFICER'S MEETING IN BRUSSELS ON
THE 2nd OF MARCH 1985.

1. List of the representatives present.

2. Affiliation problems.

2.1. Italy.

- a. We still want to reunite the two federations, the Italian Fencing Federation and the Italian Kendō Association.
- b. If this proves to be impossible, a vote will be called for.
- c. If an agreement is reached, what about the practical terms?
- d. Setting a date for the putting into use of the newly reached agreement.

2.2. Poland.

As mentioned before, we've asked the Polish representatives for an official affiliation demand. If received by the time of the General Assembly, the matter will be put to the vote.

2.3. Austria.

Mr Steiger has let us know that he is starting up a new Austrian Federation. An explication on the matter will be asked for. Vote on the subject.

3. European Kendō Championships 1986 in Great Britain.

Explication on the present state of affairs by the country's representative.

As nothing has been done about it, we will ask if the swedish representative's offer still stands.

Attention is called for the possibility of dividing these heavy costs between different member countries. The prove of the practical possibilities has been given in the case of the visit of Hirakawa Sensei to Belgium and Great Britain in March.
