

## NEDERLANDSE ZEN KYUDO RENMEI

Zaandam, April 2nd, 1985

Dear friends,

Last Friday we received a telephone call from Mr. Phillipe Reymond in which we were informed that The Netherlands are selected by the Z.N.K.R. to organize the E.K.F. training course in 1985.

We expect the Kyudoka in the afternoon of August 24th in Zaandam. The training course will end Saturday afternoon August 31st. The expenses will be 500 Dutch guilders per person. If you like, the price includes not only the food but also a very simple bed, in which case you have to bring your own sleepingbag.

Sleeping in a hotel is also possible, however, this will be at your own expense. Hotel Sans Souci will cost you 35 Dutch guilders per night per person.

We sincerely hope on the exact number of Kyudoka from your country who will take part in the training course. Let us also know how many will prefer to sleep in the hotel. Please let us know as soon as possible.

We trust you will also inform all the other groups of Kyudoka in your country if there are any.

In our next letter we will let you know the program. We can tell at this moment that examinations will be possible up to fifth dan.

Please answer this letter by returning mail. With kindest regards,

Yours faithfully,

NEDERLANDSE ZEN KYUDO RENMEI
