Re: Application for the 11th Foreign Leader
Trainings Seminar (1986)/Kitamoto, Japan

Gentlemen,

We have received many applications for the forthcoming 11th Foreign Leader Training Seminar and attempted to confirm our receipt of your application for us by a reply letter.

We are afraid, however that we might have mislaid some forms due to a confusion caused by the recent tragedy that had happened to the Secretary General in early May, 1986.

May we please ask you, therefore, to forward a duplicate of your application form if you have not received our acknowledgement letter yet, by return mail if possible at all?

We should like to close our receiving applications soon now that the last day, May 31 has elapsed.

Thank you for your attention to this advice.

Very truly yours,
