c.c. Mr. Raf Bernaers

Dear Sirs,

Regarding the arrangements of the 8th EKC there are a couple organization points we would like your opinion on.

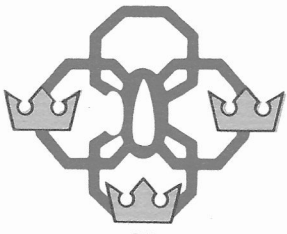

First of all concering the Dan-examinations:

- * to what Dan will Kendo examinations be available?
- * to what Dan will Iaido examinations be available?
- * what is the final entry data for the examinations?
We suggest 31th of March as specified in our application form. Applicaton forms and fees will be handed on to our organization on the 24th of April.
We will administer that.
- * what are the Dan-examination fees?
- * what examination rules apply?
- * what examination questions apply?

Concerning the seminars one for kendo and one for referees we would like to know/have the following:

- * preliminary/planned schedule.
- * copies of documents to be distributed to the participants.
