Dear Mr. Söderström :

Re : Dan Examination Account / 8 E.K.C.

After that big event of the 8th European Kendo Championships, we are sure that all the officers of Swedish Kendo Federation are very busy with post-administration of various activities conducted during the championships.

If you could afford your time, we hope that the account setting for the Dan examinations can be completed at your early convenience. May we, therefore, request you to send us a documented account for revenue and expense, together with valid evidences wherein available ?

We also anticipate to receive your remittance of the balance, if any, in Japanese yen, in due course.

A.N.K.F. are preparing issuance of Dan diplomas for those successful Dan applicants and it requires this account settling through I.K.F. Hq.

Thank you for your attention to this request.

Very truly yours,

I. Sato

Secretary General,
I.K.F., Tokyo
