Mumeishi Kendo Club

CITY LINK INTERNATIONAL KENDO CLUBS CHAMPIONSHIPS

SATURDAY 21ST NOVEMBER 1987

Dear Fellow Kendoka,

Once again our Championship has come around. This is the 14th year that we have been holding the Mumeishi '3' Championship, from its small beginnings it has grown into a major event. I would like to take this opportunity to invite your club to attend and hope that you will be entering many teams.

This year there will be a change of venue. The Championship will be held at the Cranford Community Sports Centre, Cranford High Street, Cranford, Middlesex on 21st November, 1987. This is the home of Mumeishi Kendo Club.

On Saturday evening, after the Championship, there will be a FREE Buffet Party, to be held in the Bar Reception Area at the Championship venue. ALL ARE WELCOME - GOOD ITALIAN FOOD - AND IT'S FREE.

For those wishing Hotel accommodation we can book this for you at the Master Robert Motel, Great West Road, Hounslow, Middlesex. It is only 10 minutes from Heathrow Airport and the venue. A triple room is approximately £19.00. per person per night, this includes full English Breakfast, service and VAT.

For the first time, this year we are able to offer to all FREE SLEEPING BAG ACCOMMODATION at the Dojo for Saturday night (21st).

For anyone travelling from Europe who wants to stay longer some home accommodation can be arranged - so all you need to find is the cost of your fare.

Please find enclosed the application forms for accommodation and entry forms for the Championship. Please send in your application forms and entry fees as soon as possible so that we may make the provisional arrangements. Closing dates for entries will be 14th November, 1987 and for accommodation 7th November, 1987.

There will again be some stalls at the Championship selling antique swords, Kendo armour and books etc. Also food and drink and maybe some Japanese food.

We are looking forward to seeing you at the Championship on Saturday 21st November and also to practicing with you on Sunday morning 22nd, when we can all have a good Keiko together.

Yours sincerely,

Terry Holt

Member British Kendo Association

Deen Lundberg

Would you see that all the clubs
in Sweden know all about the championships
hope to see some team this year
all the best
Terry
