c.c. Mr. Komaki

Dear Mr Bernaers,

I've just recieved examination diplomas from Mr. Kazuhiro Komaki, who's living in Sweden with his family since many years ago.

The diplomas verify his examinations to:

Kendo: 4 Dan, in Kagoshima
5 Dan, in Kagoshima
Iaido: 4 Dan, in Kagoshima
5 Dan, in Kagoshima
6 Dan and Renshi, in Tokyo

He's telling us that he can't find his diplomas for his 1-3 Dan because it's so long time ago and back in those years when he's still living in Japan.

We find this very resonable and for now on we'll recognise Mr. Komaki as 5 Dan Kendo and 6 Dan Iaido, Renshi.

Including this letter you'll find copies of his certificates which I also sent to Mr. Sato.

I also have the pleasure to announce our following members sucessfully Dan-examinations.

Kendo 1 Dan	Björn Gustavsson	Born 1972.0510
Oslo, 1987.06.21		Place Malmö
Kendo 2 Dan	Anders Edring	Born 1969.07.11

We'll send you those missing data later.

Mr. Martinez who's handeling our register is at this moment in Japan. You probably already have some of those figures, but we'll keep in touch.

Yours sincerely,

Kjell Söderström
