c.c. Mr, K Komaki

Dear Mr Sato,

I've just recieved examination diplomas from Mr. Kazuhiro Komaki, who's living in Sweden with his family since many years ago.

The diplomas verify his examinations to:

Kendo: 4 Dan, in Kagoshima
5 Dan, in Kagoshima

Iaido: 4 Dan, in Kagoshima
5 Dan, in Kagoshima
6 Dan and Renshi, in Tokyo

He's telling us that he can't find his diplomas for his 1-3 Dan because it's so long time ago and back in those years when he's still living in Japan.

We find this very resonable and for now on we'll recognise Mr. Komaki as 5 Dan Kendo and 6 Dan Iaido, Renshi.

Examinations was held in Oslo by the japanese delegation visiting Norway in June this summer.

From Sweden was two participators who sucessfully passed the examinations:

1 Dan, Björn Gustavsson
2 Dan, Anders Edring (former name, Johansson)

Yours sincerely,

Kjell Söderström
Chairman
