30th August, 1988

Dear, Kjell,

I hope you are well and enjoying the summertime.

This letter is to inform you about the visit of Saito Sensei with 100 other Japanese guests to the opening ceremony of the Taille Kyu - Dojo near Valence in France. They will be giving a demonstration in Arles on Sunday, 13th November and opening the Do Jo on 15th November. Saito Sensei has asked that the 15th November also be a "Japan - Europe Kyudo meet" with representatives from other national organisations if possible.

Taiken Jyo Je Frey has the responsibility for organising this and has asked me to circulate the information to you. For those wishing to stay over from 13th November to 15th November, they will be able to have free accommodation at the Centre and have free training at the Do Jo, (meals will be 40 francs each).

If any of your members would like to take this opportunity, please let me know as soon as possible so that I can give numbers to Taiken Jyo Je.

With all Best Wishes,

Mike Cundy.

Michael Cundy  
President
