Date 14.7.88

Dear Fellow Kendoka,

I am writing to you with advance notice of this years' Mumeishi Three's Championship, which some of you have come to know as 'City Link'. This year we have a new sponsor, EIKOKU NEWS DIGEST, which is a newspaper specially printed here for Japanese people living in the U.K.

The Championship is now in its 16th year and we would once again like to extend our invitation to all clubs (dojos) around the world. Come again with your teams, ladies and children to take part in this very friendly Kendo Championship.

You are all welcome, so organise your club (dojo) and get ready for NOVEMBER 12TH, 1988.

Hotel accommodation can be arranged as usual at reasonable costs at the Master Robert Hotel. As before, we have sleeping bag accommodation in the Dojo for those wishing to stay on the night of the 12th. Some home accommodation can be arranged for those visiting from abroad.

As usual, lunch will be supplied to all competitors, and there will be a FREE evening meal for competitors on Saturday evening. So, if you are competing, all you need to find is your fare here.

ENTRY RULES:

Teams - 1 member with Kyu and less than 3 years experience.
1 member with 1st or 2nd Dan or Kyu.
1 member whose grade is not restricted.

Ladies-There are no grade restrictions.

Juniors-Born after 12th November 1972 (up to and including 15 years old)

I will be sending out application forms at a later date, so please pass on this advance notice to all your members.

We are all looking forward to meeting with you on 12th November and having a practice with you on Sunday morning 13th November, when we can meet at the point of our shinai.

Best regards to all,

TERRY HOLT

Hoping you all are in the best of health and your kendo is going well. I hope to see a team this year at the championship if not please send my best wishes to all Swedish kendoka for me.
