PARIS

Paris, February 24th, 1992

Dear Friend,

During its first meeting in December 91, the International Naginata Federation voted the following decision:

INF will yearly organize an International Friendship Tournament and an International Training Course, till the 1st International Naginata Championship in 1995.

This year 1992, the 2nd International Naginata Meeting will take place in France, Paris and I will be very glad to meet you again.

The training course will be organized on June 19th, 20th and 22nd and the Tournament, the examination will be held on June 21st, under the direction of the International Technical Committee.

We are sending you enclosed all necessary information concerning the events.

All of us may have difficulties to join this kind of meeting. But I am sure, that if we have passion for NAGINATA, we can do it.

We will surely have a great pleasure to practice together. This is the reason why our French Naginata participants are happy to meet all of you.

I thank you in advance to let us know your application before March 31st, for the best organization.

" A BIENTOT IN PARIS "

I extend my best wishes to you for a good health.

Sincerely Yours, I remain
