 EKF Technical Director

Dear Mr. Raick

Many thanks for your letter concerning EKF history.
 Yes, I have my personal archives from the time of my presidency.
 Since I am one of the charter members of the EKF and the President
 for many years, it is of some interest - from the historical point
 of view - if we could meet and talk.
 Of course, I can then give you all the papers and documents I still
 have in my archive.
 If you give me the date of the European Championships in Turku
 I can maybe come and meet you there.

With best regards your faithfully

Robert von Sandor
