Dear President, dear Friend,

As a consequence of some questions concerning the subject of the newly decided grading rules, I would like you to take notice of the following important point regarding this subject:

The rule applies to all grades *included those successfully passed before* the decision to change these rules (01-04-1997), as well for the composition of the jury as for the *delays required in between the exams.*

After some contradictory information this has been explicitly confirmed by the I.K.F.

I would like to point out the future risks run by the practitioners if grades would be registered which aren't in accordance to these regulations.

Waiting for the pleasure to meet you again and wishing you an excellent start of the new sports season,

Sincerely Yours,

Jean-Pierre RAICK
EKF Technical Director
