Secretary General

Uppsala June 5, 1997

Dear Mr Shinaishi,

In June last year you kindly approached us with an offer for a Japanese instructor. Unfortunately we had to decline your offer in our letter of August 28 due to financial difficulties. However, our situation has improved and we are now in the position of asking you to arrange for a Japanese instructor to come to Sweden *either* in the autumn of 1997 *or* in the spring of 1998. Would you please let us know whether this is possible at such short notice, for which we apologize, and inform us of the conditions of the length of such a session and financial terms.

We are very pleased with the success of our Swedish National Team in the recent World Championships and hope for a continuous positive development of Swedish Kendo. The previous visits from Japanese instructors have always been of great help and encouragement for our clubs and the Kendo players and we hope for a favourable answer.

Thank you in advance for your help.

Yours sincerely
