Dear Mr. Lindin:

Re: A Short-term resident Kendo instructor

This is to confirm the receipt of your letter dated Jun. 5, '97 that requested us for a resident Kendo instructor in the autumn of 1997 or in the spring of 1998.

We will be able to send an instructor for about three months either in the autumn or in the spring; preferably in spring next year. But at this moment, we could not make it clear to you, and we would like to inform you as soon as we identify an competent instructor.

In the meantime, as usual, we would make some proposals on the terms and conditions as follows in sending an instructor:

1. Travelling expenses: round air-fare between Japan and Sweden on your account; leave the purchases to your discretion.
2. The lodging: Home-stay around or some fixed accommodation
3. A sum of Yen 100,000- per month or the equivalent for your currency is to be paid to him as his technical service fee on your account
4. Transportation: Inland for the trainings, for your account
5. International phone toll: Five personal calls to his family (a call upon arrival, once in every month, before leaving for Japan) for your account

We would be pleased if you agree with our proposals, and be ready for selecting a suitable instructor holding 7-Dan grade.

Awaiting your reply at your ready convenience,

Very truly yours,

M. Shiraishi
Secretary General
