Dear Friends

The championships are very close now, and we hope that you all are well prepared and ready to go!

Enclosed you find the detailed programme, a pamphlet of the Hilton Hotel and a map of the City of Basel. Please let us know your way of travelling (airplane, train or car) and your time of arrival, so that we can prepare your welcome at the hotel. If you come by plane, please leave the airport on the Swiss side. At the exit you will find a bus that takes you to the Central Station in about 15 minutes. When you stand in front of the station, you can see the Hilton Hotel on your right side. It is only a couple of metres from the station away.

If you need further information, please do contact us.

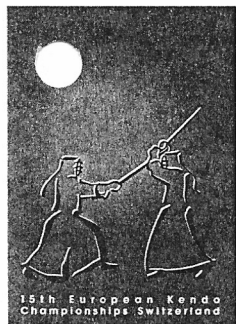

We are looking forward to seeing you all soon in Basel.

With kind regards
