European Kendo Championchips 1972.

Dear Sir,

Thank you very much for your letter, dated 29-6-72 and for the inscribe sheets.

Now we have difficulties to get sufficient participants for the championchips 72. 3 of the provisory mentioned Kendokas can't go to Stockholm in September 23/24. Two will be abroad and one has to pass highschool-examinations. It seems that Mr. Watanabe is prevented too to go to Stockholm.

I regret to say that it is impossible to delegate somebody from Switzerland to the Championchips in Stockholm in September. If they are later it should be possible.

An other question is the General Assambly. I believe that the Assambly is too near at hand by the Championchips. If there will be different opinions about anything at all they can't be regulated in the short time before Championchips begins. But if the Assambly is held early and different opinions about Kendo will rise than we will have time enough to arrange differences and the Championchips will have a good clime.

I propose to have the General Assambly of the beginning of September latest and it can be anywhere in Europe. I understand your reflections to hold up the Assambly with the Championchips. With this you try to hold the expenses of the different countries low. In fact this is right.

I am sorry to repond no sooner to your letter. I had to clear several questions with the other Kendokas in Switzerland about this matter.

I regret to send you this bad communication but I hope that all will be arranged to the best and I remain

Yours sincerely

F. Dettwiler

PS. As representant for Switzerland in the next EKF-Assambly is ordered: S. Garlinsky and F. Dettwiler.
