Dear Sirs,

Thank you very much for your kindness for Kendo in Poland.
We feel very honoured and obliged.

The Polish Kendo Committee has made much efforts to send
a national representation to the 8th EKC. Our delegation
will be probably consists of 9 members.

We have also collected all fees for 9 persons for 5-days
accomodation at the hotel.

Alas - we are afraid we are unable to send the payment
in advance because the Polish law forbids us to send money
abroad (either by check nor bank transfer).

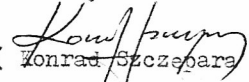

That is way we must request you for prolongation of the term
of payment till moment of our arrival to Sweden (if is there
possibility please bail out or lay out for us the amount of
6750 SEK to the hotel).

We are sorry for plenty additional troubles concerning to
participation of the Polish representation in EKC-87.
Such troubles are generated by difficult situation of Kendo
in Poland and our country at all.

We beg your pardon and ask you for indulgence and cordiality.

Yours sincerely,

Secretary of the PKC

(Konrad Szczepara)

President of the PKC

(Andrzej Kustos)
