To the Presidents of National Kyudo
Federations around the world

Concerning the Survey Report on the Activities of Overseas Member Organizations

We have completed and hereby offer you our report on the results of last year's survey into the activities of overseas members organizations.

Of the survey questionnaires we sent to 17 overseas member organizations, we received responses from 12 of them but not from the remaining five. We therefore regret that we were not able to include any information from those five organizations in this report and ask for your kind understanding.

We plan to conduct surveys such as this again in the future and sincerely request your cooperation at that time.

When you receive this report, we would be grateful if you could have the president of your organization sign the enclosed Receipt and mail it back to the All Nippon Kyudo Federation.

Sincerely,

ALL NIPPON KYUDO FEDERATION

Nobuyuki Kamogawa
Chairman
