IKF REFEREEING RULES.
-

copy to IKF;
ZNKR.

Dear Friends,

As you certainly know, the new refereeing rules established by ZNKR may propably be adopted by the IKF to be used during the next World Championships, to be held in Kyoto in March 1997.

In this perspective, and knowing that these rules will als be the study object during the official IKF/EKF refereeing seminar in Brussels, we would like you to anwer the next question:

In case the new refereeing rules are approved by IKF, do you agree that they would be applicated in the upcoming European Championships in Miskolc, Hungary in April 1996?

We are aware that this demand tends to press normal evolution a little, but we are sure that you will understand that this action is undertaken in the interest of European Kendo in general and EKF in particular.

Thanks in advance for your cooperation,

Sincerely Yours,

Jean-Pierre RAICK
EKF T.C. Director
