Dear Friends,

we would like to let You know about 5th Prague Kendo Cup.

In October of this year elapses 10 years from the moment when the first Kendo training took place in PRAHA.

On the occasion we have decided to organize 5th Prague Kendo Cup - Open as a dignified celebration of the anniversary. We believe that You can participate and so help us create proper competitive atmosphere.

Please note following information. The 5th PKC will take place in Praha University of Agriculture Sport Hall from November 22, to November 24, 1996.

Lodging can be arranged in near by hotels, student dormitory or in dojo (sleeping bag required).

PKC is open individual competition with no grade or age restriction. We are considering separate women competition if there are enough women competitors. The shijai will follow the IKF rules.

More detailed information will follow.

Just to get an idea of overall size of the event, we ask You to fill out the preliminary entry form.

Thank You very much.

Sincerely Yours

Vladimir HOTOVEC
CKA President
