Dear Mr Shirashi,

Thank you for your letter of June 3, 1996, and your offer to send a Kendo instructor to Sweden. We have looked into the matter thoroughly but have found that we unfortunately do not have the possibility to invite an instructor until next year, in the autumn of 1997.

We are looking forward to the World Kendo Championships in Kyoto next year and we are convinced they will be very successful.

Yours sincerely

Lars Lindin
