I am sorry but I have to put you a question to clear out some doubts; it is only a practical problem that can't be overcome in any other possible way.

The international communications are not delivered to our federation Fe.N.I.Ke., Cik members, E.K.F. and I.K.F members, I repeat, it is only a practical problem.

The person (Miss Castelli?) in charge of the foreign mail, apparently, doesn't send it to all C.I.K. members.

You can well understand that our federation that carefully promote such national events and meetings for our associates, is lacking of "raw material", to work with. That is; "Informations!".

I ask, therefore, to send any kind of communication for Italian Kendo, in copy at the address below:

Giorgio Daneri - Segretario Generale Fe.N.I.Ke.

My best regards.

IL SEGRETARIO GENERALE
