Gentlemen:

Re: The P&R for The 10th W. K. C. /Preliminary Application

Enclosed please find a copy each of The Program & Regulations for The 10th World Kendo Championships (which was approved in the last BODM by correspondence on January 19, subject to an approval of General Assembly), and preliminary application form.

Therefore, we will receive your preliminary entry of participants in Championships. Please be sure to make pre-entry by July 10th, '96. This is important for IKF Hq., Tokyo to work on a variety of hardware goods ; we must be certain about what organizations and how many competitors will participate.

In addition, please write in the parenthesis how many accompanying persons will participate. We will advise you of what is your quota to be allotted soon after firmed up, taking account of the absolute total seat number in the gymnasium which admits 3,000 people in all.

The purpose of this preliminary entry is to get an indication of the overall size of the event. Then, "The Final Entry" will follow to submit us by December 10th, 1996 as indicated in the P&R.

Looking forward to your early input, we remain

Yours very truly
