Dear Friends,

As you will be able too read in the copy of the ZNKR letter joined in this envelop, the ZNKR intends to concentrate on Kendo during the European Kendo Championships to be held in Miskolc next month.

They didn't include a Iaido master in the delegation this time.

As a consequence we will have to cancel the Iaido seminar and reduce the Dan Grading to 3rd Dan for Iaido.

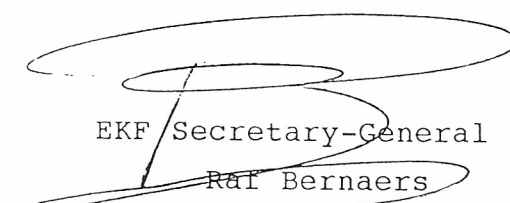

On the other hand, we got a fax message today mentioning that the ZNKR will delegate two Iaido experts to the European Iaido Championships to be held in Paris this summer. And they insist we organise a full Iaido seminar on that occasion.

As a consequence, we propose that all candidates for Iaido practice postpone their aspirations until summer.

We are sorry for the inconvenience caused by this rather belated announcement.

Please pass this message on to your members as quick as possible.

Sincerely Yours,

EKF Secretary-General
Raf Bernaers
