Re: 10WKC/Kendo Dan Examinations

As you are aware, we had requested you to turn in your delegation members' applications for the captioned Dan Examinations, together with your organization's final entry application for participation in The 10th WKC, by December 10, 1996.

Many applications arrived here by this stipulated date and are under processing currently. Yet, a few deferred applications are arriving in twos and threes; hence, we have renewed the deadline for acceptance of the applications to January 15, 1997.

Please inform your prospective applicants of this new date and that any applications that will arrive here after January 15, '97 will be rejected.

Yours very truly,

I. Sato
