VISSA LIKHETER finns det oenkligen mellan ishockey och boxning. Bilden till vänster är sålunda hämdat från NHL-matchen New Jersey Devils och New York Islanders häromdagen. Den matchen vann Devils med 6-5, fighten över mellan Ken Danoyen från Devils, tv, och Greg Gilbert stoppades innan den var avgjord egentligen. Däremot kan vi meddela vinnaren i boxningsmatchen som gick där den skulle, i ringen alltså. Den vanns av Evander Holyfield, th, mot Pinklon Thomas i Atlantic City, matchen var slut efter sju ronder. Holyfield, som egentligen går i cruiserweight anses av experter vara den ende i världen som på allvar skall kunna hota tungviktsvärldsmästaren Mike Tyson. Detta p g a Holyfields enorma snabbhet.
