15th September

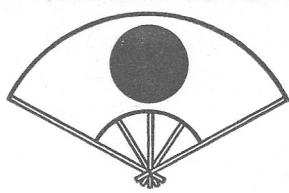

Dear Mr Appelberg,

Many thanks for your letter. I had in fact sent you details of the Taikai but I imagine that they must have been lost in the post. However, I have much pleasure in enclosing copies of the forms together with an official invitation. We shall look forward to Swedish participation with as much happiness as in the past and I hope I shall be able to practice with you and your fellow Kendoka.

I have also written to Robert von Sandor in the past few days. It would be nice if he could also attend with his wife.

Yours sincerely

Roald Knutsen
