Mr. Masayuki Ogawa
Kyoto
Japan

Dear Mr. Ogawa sensei

Thank you very much for your letter. I was very glad you wrote to me.

About miss Anna Fugelstad: She arrived at Japan in the beginning of March. I thought that she would go directly to Kyoto, but so she did not. Instead, she has at least until now stayed in Tokyo, for Kendo-practise and to study japanese language. Probably she later on will go to Kyoto. I have given her your adress and your offer to come to practise Kendo in your Dojo. Something about herself; she is 23-24 years old, she has studied Kendo for some years in Sweden. She would stay in Japan for about two months, mainly for Kendo. I have heard in letters that she now practises every day in Tokyo.

Thank you very much for your kind help.

Yours Sincerely,

Johan Appelberg
