Wolfgang!

Thanks for the letter.

I understand that you now wish to know how many we will be when we come.

Well, it seems that we will have the following team: one leader, who also if necessary could act as judge, five persons for the teammatch and at least one reserve for the teammatch who also will take part in the individual competition and friendship-matches.

Perhaps there will be more reserves, but that we don't know now. We will immediately inform you if there is any change in the above.

Yours,

JA
