Wolfgang!

Thank you for the letter. I was supposed to answer in the end of sept.. Here I am.

We understand your motives for having more than five members in the team, but the international standard is only five members and we think it is best for all parties to stay to that standard.

From now on, if you wish to tell us something more, please contact Mr. von Sandor instead of me as I am going for military service for some weeks and can not be reached.

I suppose you have his address.

Robert von Sandor

Well, I hope there will be a good match!

Yours

J. A.
