

Swedish Budo Association  
Kendo Section  
Bromma 10th feb. 1971

Mr. R. Knutsen  
Brighton

Swedish Kendo is very grateful for the invitation to the  
"Kyusha Taikai" feb. 20th. We thank you very much.

However, we have no possibilities to take part in the  
competition, because 20-22 feb. Sweden will be visited by  
a group of high-ranked japanese Kendoka led by the Secretary  
of the International Kendo Federation. We therefore have to  
mobilize our greatest strenght at home.
