Swedish Budo Ass.  
Kendo Section

R.M. Knutsen  
29 Egremont Place  
Brighton  
England

Dear Mr. Knutsen.

One of the big problems in Swedish Kendo is materialprocuring; bogu, shinai etc.. At present we are looking for a contractor, for instance through our Sensei, to whom we could concentrate our purchases.

When visiting England we have found that you obviously have good contact with japanese contractors.

Now, we wonder if you would like to help us to get contact with your contractor. If you have a catalog, preferably with prices, or some other kind of price-list, to send us, so that we can compare quality and prices with our other catalogs, we would be very grateful.

Hope to meet you in practise soon,

Yours,

KENDOSEKTION
