Dear Sir,

Swedish Kendo is very honoured by and grateful for the invitation to the 4th JAPAN AIR LINES YUDANSHA TAIKAI.

Later on we will send a definite list of the names of the competitors.

The earlier JAL YUDANSHA TAIKAI's had an official state as European Championships. Is it so also this time?

Is it possible to get exemption from the yudansha-necessity, so we also could send one or two kyusha? The reason is following: Since mr. Watanabe and his brother left Sweden in dec. 1969 it has been impossible to dan-graduate here, because of the European Kendo Fed. rules of dan-graduation.

Yours,

**SBF:s KENDOSEKTION**
