Dear Sir,
The Kendosection wonder if it is possible to have the results from the earlier (1968,-69,-70) JAL YUDANSHA TAIKAI's for our archives. It is not necessary with the names of all participants but the names of nr. 1,2,3 and 4 in the competitions we would be very glad if you sent us.
I hope you have not forgotten the promised (complete) results from the latest TAIKAI.

Yours
