Dear Mr. Kasahara

Referring to your letter to Mr. Robert von Sandor about  
a Japanese Kendo-instructor.

Your offer about a Kendo-instructor made us very happy  
and we are extremely interested in him coming here.

The Swedish clubs, with the help from the Federation  
included, can offer on the average Sw. cr. 1000,- per  
month; June, July and August excluded, which covers the  
costs for food and accomodation.

During June-- end of August there is no schedulebound  
practise.

The Sensei is heartly welcome when he comes!

Yours,
